In accordance with the Governor's phased reopening plan, the Town of Bargersville is taking extra precautions to protect public health and safety. Phase 4.5 Reopening Guidelines require that social distancing guidelines are followed. Bargersville Town Hall allows for the seating of 10 attendees in manner that allows for proper distancing. If the maximum number of attendees has not been met at the time of the meeting, the Town will allow for additional attendees until the maximum number of 10 is met. The Town encourages that the public utilize the [livestream link posted on the Town's website](#), particularly if you have felt ill, have household members who have been sick, or if you are in a high-risk population for COVID-19.

In accordance with Governor's Executive Order 20-37, individuals must wear a face covering that covers the nose and mouth when inside a public building. Face coverings are required in addition to social distancing measures already in place. If you wish to enter Town Hall, please bring your own face covering. If you do not have a face covering, the Town will provide them as supplies last.
